

Thank you for contacting my office.

I have been honored to represent you in Congress for the past decade. Since I am retiring from Congress at the end of this year, my offices are in the process of shutting down. Unfortunately, with the end of the year fast approaching, I regret the sheer volume of contacts prevents a detailed response to many communications. I have been impressed by the thoughtful views, often shaped by personal experience and strongly held, of the constituents who contact me about various issues before Congress. Please be assured that every incoming contact is reviewed by a member of my staff allowing me to benefit from your perspective. I will keep your thoughts in mind when I consider my positions.

Thank you.

Sincerely,
